Re: Water Right No. G2-29403 for Olympic Corrections Center Well #3

Dear Mr. Heinitz:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown in development of this permit. Well #3 is currently being used as an emergency standby source due to leakage and easement issues but water is routinely being used from Wells #1 and #2 for this project.
- Additional time is needed to add Wells #1 and #2 to this permit under a change application to increase system reliability and allow full development of quantities available under this permit.

The new deadline to submit your *Proof of Appropriation of Water* is **November 1, 2020**.

Please note that according to the provisions of this permit, you must continue to report annual totals of water pumped from the wells by January 31<sup>st</sup>, each year. Please contact our metering coordinator, Eva Richards, at (360) 407-6643 or [eric461@ecy.wa.gov](mailto:eric461@ecy.wa.gov) to set up an on-line reporting account.

If you have any questions, please contact Marie Peter at (360) 407-0279 or [mpet461@ecy.wa.gov](mailto:mpet461@ecy.wa.gov)
